

Certificate of Sponsorship

14th March 2008

Certificate No.:00003974

www.coolearth.org

This is to certify that Amanda Billige has secured 5 half acre blocks (2.5 acres) of mature rainforest and has kept 650 tonnes of carbon dioxide where it belongs. Amanda Billige's sponsorship is protecting 110 mature trees, 475 saplings, 6 endangered animals, 322 types of plant and over 11,000 species of insect and worm.

Amanda Billige has secured carbon in the following areas:

Atininga

Amanda Billige has sponsored 1 half acre block in this area.

Cristalino

Amanda Billige has sponsored 2 half acre blocks in this area.

Madeira

Amanda Billige has sponsored 2 half acre blocks in this area.

In partnership with Cool Earth Action, Amanda Billige is working to halt climate change by protecting the world's most endangered rainforest.
